Mr. Video Productions Copyright Process

1. Cavalcade directors submit repertoire information to mrvideoonline.com via a private URL link. This must occur prior to championships.
2. Mr. Video Productions collects and summarizes all data and then submits everyone's information to CopyCat Music for performance rights clearance.
3. CopyCat Music reports back music that is unsaleable. Anything which does not meet copyright requirements are either muted on the DVD or removed from the final edit.
4. Mr. Video Productions reports the all DVD specifics and then CopyCat Music sends payments directly to publishers.
