

## **VIDEO TAPING / COPYRIGHT**

**To be announced MULTIPLE times throughout each Cavalcade show**

Out of respect for the music and visual copyright holders, and to ensure adherence to the law, videotaping by spectators of any kind is prohibited. This includes the use of cell phones, iPads, video cameras and go pros.

Each band is allowed to have one person to record their band only, for educational purposes, with the appropriate pass.

Anyone caught videotaping will be asked to stop and if they do not, they will be asked to leave the premises. Ticket refunds will not be given.

Cavalcade of Bands is fully committed to ensuring that our events are compliant with all music, video and performance rights copyright laws. This is at the request of our band directors, staff and Board of Directors. There are serious financial consequences for anyone breaking these laws.

Thank you.
