Spectator Ticket Booth – Near the Stadium entrance, **the actual ticket booth is beyond the stadium entrance in the ticket booth windows.** Please make sure you have a ticket before going through security.

Stadium Entrance – The ticket and spectator entrance is on the RIGHT side of the stadium, under Section 1. The band/staff entrance, on the LEFT side of the stadium, is reserved for bands and those with Cavalcade season passes.

Security – Everyone WILL be subject to stadium security checks. This involves walking through a security monitor metal detector, bag checks and other personal item checks. (check other info for this) This is a Hershey Park stadium requirement.

Hershey's Official Security Statement

Hershey Entertainment and Resorts reserves the right to inspect and search all guests entering Hershey Stadium. Guests should be prepared to have all hand carried items open and ready for inspection. Hand carried items include, but are not limited to bags, purses, camera cases, etc. We have implemented the use of metal detection devices for all guests upon entry. We recommend that guests arrive at least 45 minutes prior to the event start time and bring only essential items into the stadium.

Vendors – Please allow time, no matter when you perform, for students to visit our vendors. This is especially important at the very end of the show. There will be plenty of time after the last performance, and before scores are announced for everyone to support this important part of Cavalcade.

Stadium Food – Hershey Park Stadium has plenty of food vendors for your enjoyment. Cavalcade has no control over the food or prices being offered for our event. Since they are serving both spectators and students, the lines can become long. Please exercise patience and understanding.

Emergency Services – Hershey has medical attendants, ambulance and other emergency personnel on site and in the stadium.

Security and Bag Checks

Hershey Park Stadium has its own rules, regulations and security measures. Be prepared for bags, equipment, blankets, etc. to be searched. Please comply with all requests for the safety of everyone. Also, be sure to allow yourself a little extra time.

Handicapped Spectator Seating

The handicapped viewing areas are on the track.

Out of respect for the music and visual copyright holders of our member schools, and to ensure adherence to the law, videoing of any kind by spectators is prohibited. Bands are allowed one (1) staff member to record only their performance for internal use. There is a designated video location. Video staff are allowed in the stadium at any point, but only permitted in the video area when their band performs. Videoing from the handicap sections is not allowed.

Copyright compliance is the responsibility of everyone in the creative process including the marching band director, arrangers, Cavalcade and anyone who records, duplicates or distributes content protected by copyright holders. Cavalcade of Bands is committed to full compliance with the copyright laws of the United States and requires all enrolled bands to comply with all copyright laws which include visual images, audio or spoken text and the display of copyrighted words and images.

Personal videoing (cell phones, video camera, go pros, etc..) is **NOT PERMITTED** at championships. Each band will be permitted to have one person to record their band's only, for educational purposes.

Anyone caught videoing at championships will be asked to stop and if they fail to cease they will be asked to leave the premises by Cavalcade staff. Ticket refunds will not be given.

Cavalcade of Bands is fully committed to ensuring that our events are compliant with all music, video and performance rights copyright laws. This is at the request of our band directors, staff and Board of Directors. There are serious financial consequences for anyone breaking these laws.

Once again, personal videoing (cell phones, video camera, go pros, etc..) is **NOT PERMITTED** at championships. Thank you for your understanding and complete compliance with this direction.

Official Pictures

Jolesch Enterprises will take group and section photos of every band after their performance. Band members will have the opportunity to order pictures, after their photo is taken or order online at: www.bandgroupphotography.com.

Merchandise

Cavalcade programs are sold primarily at the entrance gates for \$5.00. Vendors will be located throughout the concourse (varies by location) selling souvenir items and/or recruiting tables for drum and bugle corps. An official Cavalcade t-shirt will be available for purchase.

As we move closer to championship weekend, please check our website (www.cavalcadeofbands.com) and Facebook page (Cavalcade of Bands) often for updates and additional information.
