Welcome to the 2019 Cavalcade of Bands Marching Band Championships! The 60th Anniversary of Cavalcade of Bands Marching Band Championships! We are thrilled to present performances from incredibly talented students who have spent thousands of hours perfecting their complete production. No matter what the musical or visual genre, these shows are truly fantastic.

I continue to be honored to be associated with an incredible team of administrators who work continuously to provide positive educational moments for our members, and their students. Collectively the massive number of hours, details and work put into making Cavalcade run as smooth as possible are mindboggling. Most never will see this effort, but being in this role I experience the constant dedication first hand to our directors, staff, spectators and most importantly, our students.

A huge thank you goes to our fall administrative team of John Keane, Jim Fulkroad, Ken Brown, Ron Abate’, Ed Stimson, Bobby Molloy, Dave Arnold, Rich Guillen and Bobby Jones. In addition, thanks are also in order to our band director Board of Directors Adam Nobile, Justin McAdams, Keith Gromis, Anton Romano and Tim Pry who constantly provide support and guidance to the entire group. Thank you all!

There are many parts of our association which continue to grow, or are in constant forward motion. Some of these key areas are:

- Cavalcade’s 60th Anniversary! Happy 60th Cavalcade!!
- A lot of historic information shared on Facebook throughout the fall.
- A commentative 60th Anniversary film being released in late November.
- Moving one championship location to West Chester University.
- Restructuring our championship divisions.
- Adding three new members to our Hall of Fame!
- Continued ongoing director communications.
- For the second year in a row, this “FREE” on line program book!!

Marching band contests, and these championships, are certainly the most visible part of our association and school music programs. Our Jazz band division is the other part of Cavalcade, which is the largest and most educational jazz association on the east coast. In addition, each school has various concerts, festivals, musicals and other events throughout the year. Your support to these events, is critical today more than ever.

Thank You for helping us to constantly support music education and for attending our championships this weekend. Watching all our students take what directors and staff have provided and bring it to life in both Hershey Park stadium and West Chester University stadium, is truly amazing. Enjoy every moment of every performance.

Paul Smith
Executive Director
Cavalcade of Bands
Greetings from the President:

On behalf of the board of directors and administrative team of the Cavalcade of Bands, it is my pleasure to welcome you to our 60th annual Marching Band Championship Show. The students on the field today have come a long way this season, both as musicians and young adults, and our Championship Shows provide a GREAT opportunity to celebrate these talents. No matter what band is on the field, large or small, it is my hope that they have an incredible experience today!

To all parents, grandparents and guardians I wish to extend my most sincere thanks for all the encouragement and support you have given these students, starting back in the elementary level, when Hot Cross Buns was a great accomplishment, to the incredible performances we are about to experience today. Were it not for your positive influence, these students would not be able to enjoy the many benefits that Cavalcade band programs provide. Remember moms and dads, grandmas and grandpas, these performers are doing their best today because of your support!

The Cavalcade of Bands is thrilled to once again host Marching Band Championships at Hershey and we are excited to add West Chester University to the mix this year. Thank you to Adam Gumble and Andre Yozviak for your willingness and hospitality this year. Cavalcade continues to grow, both in the sheer number of bands involved in our various programs, as well as in the quality of performances you are going to witness today. It is a testament to our goals of providing “Education Through Musical Involvement.”

Thank you to my many colleagues for continuing to strive for excellence within your individual programs. Additionally, thank you to our administrative team, and specifically our Administrative Coordinator Jim Fullkroad, our Marching Band Administrator Ken Brown, our Communicators Coordinator Ed Stimson, our Director of Education Ron Abate’, our Judging Coordinator John Keane, and our Executive Director Paul Smith for their continued investment of time and energy in ensuring the Cavalcade of Bands continues to be successful each and every year.

Best of luck to all band members taking the fields today for our 2019 Cavalcade of Bands Marching Band Championship show. Leave your best performance on the field today!

Enjoy all of the performances today, and thank you to all for continuing to support Music Education through the Marching Arts.

Musically yours,

Adam B. Nobile, President

Cavalcade of Bands
Welcome to Cavalcade’s
2019 Marching Band Championships!

In this 60th anniversary year we are thrilled to host over 90 performing bands who will be cheered on by approximately 20,000 spectators at Hershey Park Stadium in Hershey, PA and at Farrell Stadium in West Chester, PA.

Special thanks are extended to all parents, directors, staff members, and school administrators who dedicate countless hours on and off the field for students to grow musically, and as young people. Also, a very special thank you to all the schools that hosted Cavalcade shows throughout this 2019 season! Each of these hosts, and their booster organizations, allow thousands of spectators to view and enjoy our marching band activity.

Best of luck to all the participants this weekend and most especially to all senior band members. Always remember the skills you have learned, the life lessons, the fun experiences and most importantly, cherish the lifelong friendships that you have made.

Enjoy the show! All of us at the Cavalcade of Bands hope to provide the most memorable Championship event ever.

Very sincerely,

Ken Brown
Marching Band Administrator
Cavalcade of Bands Association
From The Cavalcade Judging Coordinator

All Cavalcade judges have multiple decades of experience in the marching activity as performers, instructors, writers, designers, consultants, directors and ultimately judges. This experience is learned through years at the high school, college, drum corps and indoor guard/percussion level. The amount of time, training, energy, determination and practice involved in judging is endless. Aside from a mandatory yearly clinic, additional conference calls, webinars, handbooks and weekly emails keep the judge constantly moving forward.

The judges’ role is twofold:

1. To provide verbal commentary, both constructive and rewarding, to each group.
2. To determine a score for each band. Actually, three scores, two sub-captions and one total score.
3. Rank each band accordingly with in their competitive class.

Each judge independently determines these scores using objective criteria provided for each specific caption. They all have two 10-point sub-captions for a total score of 20 points. Each caption has its own set of criteria and concentrates on the specific area for that particular judge to consider.

Our judging team consists of these eight judges:

Chief Judge and Tabulator
Field Visual and Ensemble Visual (these two scores are averaged)
Field Music and Ensemble Music
Overall Effect Visual and Overall Effect Music

At some shows, including championships, specialty awards for best Auxiliary and Percussion are also included.

Judges must feel confident to make tough decisions, within their caption, which might not always be popular. They must confidently assign scores they believe are correct for the show they are judging. They must judge each contest as a new event, carrying no pre-conceived opinions into the evening’s contest. Their mandate is to “judge the show of the day.”

- As directors and staff spend countless hours, weeks and months planning and perfecting their shows, judges are given minutes (around 7 minutes) to process thousands of bits of data within each show.
- They are expected to see everything, mentally record it, speak encouragingly about it, offer suggestions or solutions to problems, as well as remain alert and active over many hours of performances.
- They do not have a “warm-up” time; they have to be “on” from the moment the show starts.
- After each performance they have roughly two minutes to reference the sheet criteria, assign scores and prepare notes for the after-show critique.
- They are then expected to hold intelligent and informative conversations with directors and staff at the post-contest critique.
- They also may fall under the scrutiny of the entire school community, administration and, most importantly, students of each band.
- They are as much “on the line” as the students, directors and staffs.

However, this is a wonderful way for people to give back to the activity, which given us so much, and we have such an intense passion for. Each and every judge strives to do the best possible job for all bands, at every single competition. While we are certainly not perfect, and occasionally make mistakes, we continue to remain committed to the activity, the work and our part of this wonderful word of marching band, as we constantly strive to improve for each performance.

VIDEO TAPING / COPYRIGHT

Out of respect for the music and visual copyright holders, and to ensure adherence to the law, videotaping by spectators of any kind is prohibited. This includes the use of cell phones, iPads, video cameras and go pros. Each band is allowed to have one person to record their band only, for educational purposes, with the appropriate pass.

Cavalcade of Bands prohibits the act of video recording and publishing of any performances in accordance with US Copyright laws. However, if you choose to do so, then you solely accept the responsibility of this act.

Cavalcade of Bands is fully committed to ensuring that our events are compliant with all music, video and performance rights copyright laws. This is at the request of our band directors, staff and Board of Directors.

Thank you.

Ralph Pace was a performing member of several drum and bugle corps in Hammonton, NJ, Philadelphia and Upper Darby, PA. In 1960, he began a masterful teaching career in both drum and bugle corps and indoor guards. This developed into marching and visual design for all marching areas.

Throughout his career he had the distinction of designing and teaching the following drum and bugle corps: 27th Lancers, Velvet Knights, Phantom Regiment, Crossmen, Spirit of Atlanta, Cavaliers, Boston Crusaders, Pacific Crest, Troopers, Madison Scouts and the Reading Buccaneers.

Within Cavalcade, Ralph worked with the Plymouth Whitemarsh Marching Colonials from 1975 through 1982. During this time, the band won several championships and much of his teaching techniques were then used to set the national standard for high school band design in California. In addition to PW, he also taught at Sun Valley High School. At the college level, he was the show designer for the West Chester University Incomparable Golden Ram marching band and also provided a number of visual design seminars for Cavalcade Hall of Fame member Dr. James Wells.

Ralph is a member of the following Hall of Fames: Drum Corps International, Drum Corps Associates, New Jersey and Massachusetts drum corps, 27th Lancers and the Crossmen. Outside of the pageantry arts, Ralph is a broker in estate and antique jewelry along with antiques, works of art and liquidations of estates and personal items.

The Most important thing to him in life is knowing the individuals or students you had the chance in supporting, their growth by thinking outside the “BOX” and knowing they were better for believing in themselves always pushing through those walls of “no I can’t”, to “yes, I can,” is the best accomplishment I could ever ask for in my life’s work supporting young adults to be their best and beyond.

Mr. Gary Ulrich

Gary Ulrich was a 1970 graduate of Susquehanna University. He was the band director at Cedar Cliff High School from 1974 through 1980. During these years, the Cedar Cliff instrumental music program grew to include 210 members in the marching band, 140 members in two concert ensembles and 54 members in three jazz ensembles. His bands were a highly competitive fixture in both Cavalcade Marching Band and Cavalcade Jazz Band competitions and festivals. While there were and continue to be many successful band directors, few have devoted the substantial amount of time and energy to Cavalcade at a very critical juncture of our history.

Gary served for six years on the Board of Directors and as a Cavalcade Officer with four years as Secretary and two years as President. It was during this time that Cavalcade severed ties with the Mid-Atlantic Judges Association and formed its own Cavalcade of Bands Judges Association. It was Gary who made the motion to form Cavalcade of Bands Judges; then worked tirelessly to make it happen. In addition to working with a new judging administration, Gary actively recruited judges for the new association while working with other judges who transferred over to judging for Cavalcade. He spent a great amount of time meeting with fellow band directors and band staffs who had reservations about the new venture. Then with all this, he served on the committee that saw Cavalcade become incorporated.

After exploring other arenas, Gary has returned to his Cavalcade roots as a music and visual judge, where he remains active today.
2019 Hall of Fame Inductee

Mr. Bill “Woody” Woodward

Bill “Woody” Woodward, has been responsible for instilling the love of the Marching Arts into many people’s lives. From Percussion Director, Marching Band Staff Member, Band Director and judge with the Cavalcade of Bands, he has selflessly helped many young people realize their potential and go on to become amazing human beings in and out of the marching arts. Without Woody in this activity, it's hard to believe if there would ever be any "Innovation".

Woody’s experience spans more than 30 years including his long-time involvement, 1980 – 2000 with the Hatboro Horsham High School instrumental programs. He has also worked with Upper Moreland and Plymouth Whitemarsh High Schools.

He has been a performer, caption head, composer and arranger for the Black Watch Drum and Bugle Corps, Jersey Surf Drum and Bugle Corps, Bushwhackers All Age Drum and Bugle Corps, United Indoor Percussion and Riptide Indoor Percussion. Through the indoor percussion arena, Woody is the first and only director to bring a WGI Percussion World Championship home to Hatboro Horsham High School in 1995.

Bill has been a Cavalcade music judge for many years and has been a steadfast judge for our association. He has brought his creative and energetic approach to thousands of Cavalcade students especially in the General Effect Music area. Giving back in this capacity is just one of the many ways he has touched many lives, with so many students, directors, staff, judges and parents being better because they have been taught by Woody.

The Columbia Borough High School marching band is proud to present its 2019 production entitled “Call of the Sea”. This year’s production, inspired by the mystical sirens of Greek mythology, depicts the thrilling journey of a group of sailors who have been brought to shore and captivated by a beautiful and enchanting Siren song. With no escape in sight they attempt to resist the call of the hypnotic and mysterious creatures. Bewildered and bewitched, they must work together to evade the dangers of the Siren’s deadly song.

This year’s production includes the following musical selections:

“Uninvited” by Alanis Morissette

“La Mer” by Claude Debussy

“Toric” by Britney Spears and 2WEI

and original music by Demetrius Archer.

The Delone Catholic High School Marching Band is proud to present its 2019 field show *Mangione Magic: The Music of Chuck Mangione*. The Latin jazz tunes that Mangione popularized in the 1970s continue to have broad appeal today. These brassy Jay Dawson arrangements for marching band are sure to grab your ear. After a brief fanfare of “Feels So Good,” our *Mangione Opener* launches into a fiery rendition of “Children of Sanchez,” highlighting low brass players Giovanna Jiang and Jayden Sarti. The poignant ballad “El Gato Triste,” provides an effective change-of-pace, giving the woodwinds their chance to shine. This leads right into “Echano,” our exciting percussion feature. “The Land of Make Believe” begins with a wistful introduction spotlighting Riley Skee on mellophone and Austin Stiles on trumpet. Before long, the pit leads us into the bouncy main theme and the full band drives us to a powerful conclusion.

The Greater Nanticoke Area Marching Trojans would like to present their field show, “Hope! For the Future.” The Marching Trojans staff consists of Band Director Abigail Kane, Assistant Band Director Karen Whitaker, and Colorguard Instructor Taylor Zawierucha. The songs that take us along this journey are, “This Is Gospel,” “Dying in L.A,” and “High Hopes,” all originally written and sung by Panic! At the Disco. Panic! Littlestown High School
Marching Blue Band

Good evening ladies and gentlemen! Tonight we are proud to present the 2019 edition of Littlestown High School Marching Blue Band! The band is comprised of 33 musicians, 6 color guard members, and is under the field direction of Field Commanders Sarah Jacobs, Madison Johnson, & Will Merkel.

Our 2019 program is entitled *Pantheon!*

Inspired by the Gods of Ancient Greece, *Pantheon* explores the personalities of deities such as Zeus, Poseidon and Athena. Our opening number is an electrifying and powerful representation of Zeus, the King of the Gods, and is followed by the flowing yet relentless rhythms of Poseidon. The band pays tribute to Apollo, the God of Music, with a lyrical ballad until it is interrupted by the combative and aggressive Gods of War and Wisdom, Ares & Athena. Zeus then returns to resolve the conflict in a triumphant closing number. The show features songs by Karl Jenkins, Benoit Jutras, and James Horner.

The band is directed by Mr. Adam Bish, Colorguard and Visual Coordinator Kelly Carroll, and assisted by Joel Collier, Adrienne Sentz and Samantha Cluck.

The band would like to thank the Littlestown School District Band Boosters for their tireless and unwavering support of our band program and for their assistance in keeping our band on the field. Special thanks to the prop and pit crew and to all the parents for their support. We would also like to thank the Littlestown School District administration for their support of our program as well. We sincerely hope you enjoy our program.

“A Storm at Sea”

Show Theme: The York Catholic High School Marching Band is proud to present, “A Storm at Sea.” As the band plays “Seagate Overture” by James Swearingen we set off on an adventure. The wind is in our sails and the water is beautiful as we hear a solo by Nate Gingerich on Trumpet. Little did we know that a storm was brewing. As the ship goes “Into the Storm” by Robert W. Smith, our shipmates are tossed about and thrown overboard and we are dragged into the “Undertow” by John Mackey. Just as we are about to lose hope, the sea calms and the sky fills with the golden light of “O Nata Lux” arranged by Preston Hazzard. The members of the crew take a moment to be grateful and give thanks with “Eternal Father, Strong to Save” arranged by Robert W. Smith. “Oh hear us when we cry to Thee, For those in peril on the sea.”

Director: Cecelia Mezza    Assistant Director: Mike McGuinness

Color Guard Instructor: Susan Blanchard    Assistant Guard Instructor: Cheri Bogart

The Conrad Weiser Marching Scouts are proud to present their 2019 show, entitled “Mystery House.” Imagine a sprawling, 24,000 square foot mansion with 2,000 doors and 47 stairways. This is the Winchester Mystery House, built and remodeled almost continuously from 1886 until 1922. Sarah Winchester, the heiress to the Winchester rifle fortune, owned the mansion and obsessed over its construction for these 36 years. What inspired Sarah to leave her comfortable, socialite life in Connecticut in order to move to California? Was Sarah haunted by the unfortunate deaths of her husband and young child, or was she haunted by the spirits of those killed by the Winchester rifle? Did these spirits influence the design of her home? We may never know...

Our show features originally composed music by Jair Klarfeld. The music is inspired from themes in Modest Mussorgsky’s “Pictures at an Exhibition.”

The Marching Scouts are led onto the field by drum major Victoria Radcliffe. The band’s student leadership team also includes Adam Zappacosta as student conductor, and the following section leaders:

- Rachel Wawrzyniak- flutes and clarinets
- Ethan Angstadt- low woodwinds and low brass
- Haley Klesiewicz- colorguard

- Jacklyn Clauss- trumpet and mellophone
- James Mason- battery percussion
- Audra Steina- pit percussion

Staff includes: Neal Lutz, director; Alexis Perrone, assistant director; Brandon Perrone, marching instructor; RC Youse, percussion arranger and caption head; Max Zemmer, percussion instructor; Janelle Youse, color guard designer and caption head; Liz Werner and Brianna Bernheiser, color guard instructors. Drill design is by George Blakely.

We would like to thank the Conrad Weiser Area School District Board of Directors and Administration for their continuous support of this program. A special thank you goes out to the Conrad Weiser Music Association for their work in creating and bringing to life the various elements of tonight’s show. Ladies and gentlemen, it is with great pride that we present our show, “Mystery House.”

The Carlisle Area School District and CHS Band Boosters proudly present “Uncaged.”

As our show opens, the stage is set with our “birds” in cages about the field. The birds soon find their way free of their cages and begin to interact with the humans and their music. The birds are confident, proud and excited to show off their beautiful colors. Ultimately winning the trust of the humans, the beautiful exotic creatures begin taking control of things – eventually resulting in our birds flying free while the humans take their place in the cage!

Students are led on the field by drum majors Andrew Hankes and Nicholas Kuhn. Our woodwind section is featured in the opener and Andrew Hankes performs a tenor saxophone solo in the production number.

Our band is under the direction of Byron Mikesell assisted by Coleman Liddle. Show design and instruction is provided by Dustin and Kelly Smith. Additional music, marching and visual staff are Ben Adelberg, Miguel Alvarez, Rebekah Alvey, Charity Kennedy Bixler, Peyton Bramble, Ruth Clark, Bryce Doane, Reid Ellinger, Austin Funkhouser, Rhiannon Heisey, Megan Hupfer, Braden Kronheim, Mackenzie Lenkevich, Daniel Lewis, Noah Mariano, Liz McCrea, Paul McIlhenny, Aidan Piper, Brad Wert.

Music arrangements are by John Meehan, Trent Gronewold and Brian Stockard.

Thanks to all of our instructors and arrangers for their work in designing and teaching this year’s show!

The band also wishes to thank the Carlisle School Board of Directors and School District Administration for the value they place on music in our school and community. Finally, we so appreciate the tireless parents and volunteers of the Carlisle High School Band Boosters for their continued support of our band!

The Warwick School District in Lititz, Pennsylvania is proud to present the Warwick Marching Band, performing their 2019 production The Fire Within Us.

We all have a fire deep within our souls that helps us through all the difficulties life throws our way. In the chaotic and frenetic first movement of the show, original music depicts the strain of a difficult situation. In the second movement, we turn reflective on how adversity impacts us with Simon and Garfunkel’s “The Sound of Silence.” In the third movement we feature the percussion section, as we combat what life throws our way. In the final movement, we find what stokes the fire within us and finally overcome our struggles with a beautiful and powerful arrangement of The Firebird Finale by Igor Stravinsky. This year’s show was written and arranged by Gary P. Gilroy.

The Warwick Marching Band is led onto the field under the direction of drum majors Christian Kegel and Aaron Dickinson.

The Warwick School District has been honored with the Best Communities for Music Education designation for 2019 from the NAMM Foundation for its outstanding commitment to music education. Such an honor would not be possible without the help and commitment of our community.

The band would like to thank the Warwick School District Board of Directors, Administration, Superintendent Dr. Hershey, Principal Dr. Szobocsan, Warwick Staff, Bombergers of Lititz, New Street Laundromat, Greco’s Italian Ice, Russell Dicks of Thrivent Financial, and the Warwick Band Parent Organization for their continued support.

The William Tennent Marching Band is proud to present our 2019 production, By the Light.

The William Tennent Marching Band is under the field direction of drum majors, Steven Chen and Kasey Gray, with leadership including Jill Sedlacsik, Erika Daubert, Bobby Lucot, Zach Cooter, Steven Mower, Anna Zimmer, Justin Linwood, Kacyln DeCorte, Laura Orland, Sam Breiner and Laura Orzechoski.

William Tennent Marching Band is under the direction of Charlie DiCarne. Staff includes assistant director, John Sedlacsik, visual caption head - Carrisa Bryant, music caption head - D.J. Roos, color guard caption head- Lauren Basillis, drumline instructors - Mark Fabrizio and Kenny Yarmall, pit instructor - Adriana Cunning, and colorguard instructor - Tessa Coleman. Drill is designed by Adam Freeman.

Musical selections are composed by Johann Sebastian Bach, Leslie Bricusse, Anthony Newley, and Fall Out Boy and are arranged by Josh Hinkel. Soloists include Jill Sedlacsik on flute, Laura Orland on Piano and Ryan Wilkowski on baritone.

As the show starts, our ship’s crew prepares for their journey on the high seas. Bach’s “Invention no. 13 in A minor” underscores the sailors’ daily toil on the ocean with a crew of 74. As the trip ventures further along its path, the crew begins to long for life back on land. “Pure Imagination” plays in their heads as they dream of viewing their paradise. Then, the dream is interrupted with a thunderous roar as a storm creates a wild current which puts the crew in peril. As they approach the rocky shore, a lighthouse appears to the theme of “Light ‘em Up.” Will the light guide the crew back to land safely? Or will they be lost at sea?

The William Tennent Marching Band would like to thank the Centennial School District, the school board, our high school administration and our Music Boosters Association for their unwavering support.
As a leader in marching band and color guard uniforms for nearly 50 years, Band Shoppe also offers an outstanding selection of flags, shoes, show props, equipment and more.

The beauty is then interrupted by a driving statement of 160BPM by Hans Zimmer. Lastly, we close out our production with a return to hope as we finally reach beyond returning to additional music from Dark Side of the Moon. The trumpet soloist is Dylan Lorenz.
