

VIDEO TAPING POLICY

Personal videotaping (cell phones, video camera, go pros, etc..) is **NOT PERMITTED** at weekly contests and Cavalcade Championships. Each band will be permitted to have one person to record just their bands performance for educational purposes.

Anyone found videotaping will be asked to stop and if they fail to cease, they will be asked to leave the premises by Cavalcade staff and not refunded their ticket price.

This is to endure Cavalcade, and all member schools are fully compliant with all music, video and performance copyright laws. There are serious financial consequences for anyone breaking these laws which the Cavalcade Board and Administration staff fully support.

Once again, personal videotaping (cell phones, video camera, go pros, etc..) is **NOT PERMITTED**. Thank you for your understanding and complete compliance with this direction.
