

## METHACTON HIGH SCHOOL WARRIER BAND

The Marching Warriors from Methacton High School enter their 1979-80 season with a sense of pride in past accomplishments and renewed dedication to the pursuit of excellence in the future. Throughout their 9 year existence as a competitive unit, they have compiled an impressive list of awards. At last season's Cavalcade of Bands Championship, they placed third in American Conference competition, with a first place in music. In May the Marching Warriors returned from the International Music Festival in Toronto, bringing with them first place honors in field show, parade and band front.

Arrayed in new uniforms, the Methacton Warrior Band presents its 1979-80 show for your viewing and listening entertainment. The band steps off to Hugo Montenegro's FANFARE. Next we hear the disco sound of the Donna Summer hit LAST DANCE, leading us into our concert selection THRESHOLD. A splash of color hits the field as we feature our band front in BACHANALLE from the Saint-Saens opera SAMSON & DELILAH. We take you to Broadway as we close with IF YOU BELIEVE from the recent hit THE WIZ.

It is with pride and pleasure that the Methacton School District presents the 1979-80 Methacton Warrior Band under the field direction of Drum Major Mary Ann Kelly.

### Student Leaders
