

WISSAHICKON HIGH SCHOOL

Good Evening Ladies and Gentlemen:

The Wissahickon Marching Unit is proud to participate in the 1980 Colonial Cavalcade of Bands this evening. The Marching Unit is but a segment of the Wissahickon High School instrumental music department which includes concert bands, wind ensemble, jazz band and other small ensembles. The Marching Unit is a voluntary organization and has been constantly expanding in size and quality over the past several years with this year's unit fielding 150 members.

The show has been designed around a total entertainment concept including music and visuals of all types and styles. Repertoire includes the Cotter arrangement of "Off the Line"; a medley of songs from the Musical "Sweet Charity" Gershwin's "Slaughter on 10th Ave." followed by an exit to the popular "Let It Be Me.". The Percussion feature is set to music from the television show "The Muppets."

Our Drum Majors for this year are Amy Welty and Lori Sutherland.

This year's school staff includes Earl Paine, Director; Glenda Hunter, Phil Hunter and Mark Daniels, Band Moderators.

This year's drill instructor and show designer is Bud Johnston. Sue Lannon, Sandy Reed, Judy Grubb and Mark Daniels complete the instructional staff for this year's unit.

The Wissahickon Marching Unit would like to take this opportunity to wish all competing units the best of Luck.
