

South Western High School Mustang Marching Band

HANOVER, PA.

The South Western High School Music Department is proud to present its 1982 Marching Mustang Band. The 135-member unit is comprised of students in grades 9-12.

Their musical book this year includes:

"NBC Chime Festival" with soloists Jeff Woods and Bob Doll.

"Soul and Inspiration" with soloist Doug Warner.

"Georgia On My Mind."

"Still" with soloists Anita Brown and Mike Spangler.

The Marching Mustang Band has built an outstanding history of success in field competition, having placed in the top three bands in 85% of all shows entered, including a Cavalcade Championship in 1979. Our success has come about through the dedication and hard work of its

members and staff, combined with the cooperation of the school district administration, and the enthusiastic support of the Band Booster Club and residents of the community.
