

METHACTON WARRIOR BAND 1984

The Methacton High School Warrior Band is proud to participate in tonight's Cavalcade of Bands.

The 1984 Field Show is packed with a wide variety of musical styles; Folk, Jazz, Latin and Popular. The band enters the field with the exciting "Jewish Trilogy" featuring The Gold, Hatikvah and Hava Nagila, followed by a drum solo based on Jean-Luc Pontys "Jig". The band's concert presentation is George Gershwin's "Cuban Overture" followed by a percussion feature titled "Concerto del Chachka". The Warriors will exit with "Selections from Cats" featuring Memory.
