

### HATBORO - HORSHAM

The Hatboro-Horsham Marching Unit, from Horsham, Pennsylvania is proud to present it's 1994 field show for your listening and viewing pleasure.

The Hatters Marching Unit is an extracurricular organization which in addition to civic appearances and performances at football games, has represented the Hatboro-Horsham School District at Cavalcade of Bands contests for the past 20 years. In recent years the Unit has performed at Universal Studios, Florida and received superior ratings at the Annapolis, Niagara Falls/Toronto, Quebec City and Charleston Music Festivals.

Last years's journey into the fresh character of New Age Music was both inspirational and rewarding for the students and staff of the Hatboro-Horsham Marching Unit. Continuing to explore the youngest style of contemporary music, our 1994 producton celebrates the beauty, energy and athletic valor of international athletic competition. So let us capture your imagination with:
