

EAST HIGH SCHOOL
VIKING MARCHING BAND
WEST CHESTER, PA 19380

The West Chester Area School District is pleased to present its 1994 East High School Viking Marching Band in a field production of the Broadway musical show "Westside Story". This updated version of the classic Romeo & Juliet story takes place on the streets of New York City where two rival gangs, the Jets and the Sharks, compete for supremacy. Tony, the leader of the Jets, falls in love with Maria, sister of the Sharks leader, Bernardo. When the tension finally leads to a fight between the two gangs, Bernardo kills a jet and is then himself killed by Tony. Tony is in turn killed by a member of the sharks.

As the curtain falls to the hauntingly beautiful melody of "Somewhere", both gangs come to realize they must look for other solutions to their problems.
