

South Western High School Marching Mustangs

The 1995 South Western Marching Mustangs are committed to continue their tradition of entertainment and education in the marching band activity. For this year's music, the band has turned to one of our greatest American composers, George Gershwin, and his most famous work, "Rhapsody in Blue".

The band performs several "themes" from this classic originally scored for piano and jazz orchestra. From the introduction of three distinct themes to the show-casing of jazz "ad lib" solos, the performers are challenged by numerous tempo changes and "mood" swings through this masterpiece.

We sincerely hope you enjoy our musical and visual "tribute" to Mr. Gershwin!
