

SOUTH WESTERN HIGH SCHOOL MARCHING MUSTANG BAND

The South Western High School Music Department takes great pride in presenting for your musical and visual enjoyment, the 1997 edition of the Mustang Marching Band. The band is committed to continue their tradition of entertainment and education in the marching band activity.

This year's field production takes you back to the days of the Wild West and the 'molding' of our country via the diverse cultures of its early settlers. Come with us as we explore "The Western Frontier."
