

SPRING-FORD GOLDEN RAM MARCHING UNIT

Spring-Ford Senior High School is proud to present the 1997-98 Golden Ram Marching Unit. The band's show this year is entitled, "A Day In New York City" featuring the music of the jazz vocal group New York Voices. See the city wake up and come to life with excitement and energy as the band begins the show with the upbeat foot-tapping *Baroque Samba*. Featured soloists are Carl Schultz on Alto Sax and Mike Rogalski on mellophone. The band then slows things down as we take you off the streets and into a New York City Jazz Club with Mike Davis' *All Blues* featuring our colorguard and the woodwind section. Our closing piece is *Now Or Never*. Watch as we paint the town red to close the show. Scott Boyle is featured on baritone. Sit back and enjoy our depiction of what New York is like in our eyes.

The Golden Ram Marching Unit is under the direction of Mr. Mike Moran and is assisted by Mrs. Kris Jennings; Assistant Band Director, Scott Blanford and Todd Bowers; marching instructors, Dave Rutherford and Brian Barnadini; percussion instructors, and Jeremy Williams and Suzanne Gretchen; Color Guard instructors.

The Golden Ram Marching Unit members and staff would like to thank the Spring-Ford Music Association, the Senior High School Administration, Spring-Ford School District Administration, and the Board of Directors for their continued support.
