

JAZZ BAND INFORMATION

Jazz Band Activities

- A. If deemed necessary by the jazz committee, a clinic may be held prior to the beginning of the jazz season.
- B. Jazz bands may participate in one of two (2) classifications at Cavalcade of Bands Jazz events. Band directors choose the classification in which they wish to participate by January 30.
1. A Class – Intended for jazz ensembles that primarily perform grade 3 – 4 literature (medium to medium-advanced). A Class bands must play at least four (4) different charts at shows during the season to be eligible for end of season events (shows can include exhibition performances and end of season events)
 2. Open Class – Intended for jazz ensembles that primarily perform grade 4 – 6 literature (medium-advanced to advanced). Open Class bands must play at least five (5) different charts as shows during the season to be eligible for end of season events (shows can include exhibition performances and even of season events).

If, after reviewing the ratings following a performance, the Chief Judges, Judging Coordinator and Jazz Administrator feel a band is incorrectly classified as an A Class band, the panel may recommend to the director of that band that they move into Open Class for any future Cavalcade of Bands Jazz events that season. The director will, in good faith, retain final decision-making authority as to what classification they choose for their band, but once a band selects to participate in Open Class in a given season, they must remain in Open Class for that season. A band initially classified as A Class may choose to move into Open Class at their discretion, but must do so at least four (4) weeks prior to end of season events.

- C. Each band is recommended to play three separate selections. If a band is performing a major, lengthy work, only two selections are recommended. The tabulator will rate the lengthy work as two songs. The score of the lengthy work (song 2) will also serve as the score for the third song. All caption scores will be carried over. The lengthy selections must be approved in advance (at least two weeks prior to the performance) by the jazz chief judge.
- D. Each band must use the ‘stack’ (three level) setup.
- E. Tuning the entire band on stage is not permitted.
- F. *Each band is permitted an optional two minute sound check at the beginning of their set to make any adjustments needed to the house sound system. Music performed during this sound check will not be adjudicated. This two-minute period will be part of the band’s seventeen (17) or twenty (20) minute competitive set.*

G. Performance Timing – The maximum performance time for each class shall be as follows: A Class – 17 minutes, Open Class – 20 minutes.

H. A school must participate in at least two (2) sanctioned Cavalcade of Bands Jazz band events during the current season prior to the end of season event, in order to participate in the Cavalcade of Bands end of season event. New Jersey bands must perform in at least on sanctioned show prior to the New Jersey Regional Event. If any sanctioned jazz show is canceled, those scheduled bands will be credited with that participation. They must still perform their four or five songs in the remaining show/s.

I. There will be no 1st, 2nd or 3rd place awards. There will only be ratings based on the points from three sanctioned Cavalcade of Bands Jazz judges. No ratings will be announced. Only ratings will be announced. Ratings will be announced by class, with A Class rating being announced first in order of appearance and then Open Class ratings in order of appearance. The following awards will also be given:

The following awards will also be given:

1. Three (3) to six (6) Best Soloist awards across the entire show, regardless of class (the Chief Judge, after consultation with the judges regarding soloist performances and consideration of the number of bands at the show, shall decide whether to award between three (3) and six (6) Best Soloists awards at the show).
2. Honorable mention solo awards may be awarded at the discretion of the judges. These awards will be decided upon by discussion amongst the judges as in the past.
3. Four (4) Best Section awards (saxophone, trumpet, trombone and rhythm) in each class will be recognized at all events. Show host may present certificates for these awards and shall not be required to present plaques or trophies for Best Section awards at they see fit.

J. The director is responsible for the conduct of his/her students as shows. Jazz band members should represent their schools and communities in a positive manner. If a band member behaves in a negative manner, the Jazz Committee Chairperson may send a letter detailing the behavior to the director and/or principal.

K. In an emergency situation, a student from another high school band will be permitted to substitute with the approval of the Jazz Band Administrator. The band will not be eligible for ratings or section awards. Judges will still provide commentary through Competition Suite.

L. For Lab Bands, if other players from the school's regular jazz band are also in the Lab Band, the player/s section of the Lab Band will not be eligible for the "Best Section" award. Those players are also not eligible for solo awards in the Lab Band. These players and their section/s must be brought to the attention of the show's chief judge prior to their performance. Students who perform on a different type of instrument in the Lab Band, shall be exempt from this rule. (i.e., student plays a sax instrument in the top band but plays piano in the lab band).

M. Middle / Elementary School Jazz Festivals

1. One (1) Cavalcade of Bands Jazz Adjudicator and one Jazz Tabulator will be assigned to these shows.
2. There will be file comments, but no ratings, ratings or rating sheets at regular shows.

When a band is finished, they will exit the stage and return to their seats in the auditorium. The only exception

would be to use the restrooms or visit the refreshment area. Each band will be allowed a brief tune-up on stage before they perform.

7. The host school will provide a drum set, piano, bass amp and guitar amp as well as microphones.
 8. If an end of season event is held, there will be three (3) adjudicators using the Cavalcade of Bands jazz judge's sheets. In addition to the soloist awards, an Overall Winner in each division will be announced.
 9. There will be four (4) divisions:
 - i. Division A (Yankee Class) = students from the same school from grades 6 through 9
 - ii. Division B (Liberty Class) = students from the same school from grades 4 through 8
 - iii. Division C (American Class) = students from different school's grades 74 through 9
 - iv. Division D (Freedom Class) = students from the school just in exhibition, not in competition
 10. Schools must participate in at least one (1) Cavalcade of Bands Middle / Elementary or High School sanctioned show.
 11. A high school band may perform in exhibition (not judged) at a Middle School / Elementary Jazz Show, but can request to receive commentary from the judges if desired. If they receive commentary, that will count as one of the judged performances according to the pay scale for the judges and the tabulator.
- N. A Cavalcade of Bands "Director of the Year" electronic ballot will be sent to all jazz director about a week before the end of season event. The winning director will be announced at the awards ceremony of his/her division. Criteria is:

Show Host Information

- A. If a band joins a show after the host director posts or announces the order of appearance, that jazz band must go on first unless there are extenuating circumstances. In the case of extenuating circumstances, this must be approved by the Jazz Administrator.
- B. When a band is introduced at the beginning of their performance, no prior awards will be announced. This may be done after the band has finished its performance
- C. A school representative from the performing school may be positioned near the sound board operator to help with sound levels. In order to save setup time, it is strongly suggested that bands use the house system. If a band wishes to use their own sound system, it must be set up prior to the start of the show.
- D. Friday night jazz shows shall be capped at ten (10) ensembles including the host jazz band. With a 10:00 pm awards deadline, this will allow hosts to schedule and complete their show by 10:00 pm
- E. If a band cancels from a regular season show within three weeks of the show date, the band will perform first in their division at any end of season event. If more than one band is involved, there will be a draw for the earliest positions.

- F. Awards at all Cavalcade of Bands jazz shows must begin no later than 10:00 pm unless an exception is requested by the show host in advanced and approved by the Jazz Administrator and Executive Director.

Judges and Judging Parameters

- A. Only approved Cavalcade of Bands Jazz Band Judges may judge shows.
- B. The host director of a Cavalcade of Bands sanctioned show may submit a list of judges s/he wants to request for his/her show. This must be done by December 15th. - F. A jazz band's rating will be determined by two (2) judges' equal ratings regardless of the rating of the third judge. If all three judges have different ratings, the computer average of all three (3) judges' ratings will determine the band's rating.
1. Superior with Honors = 21 to 26.25
 2. Superior = 26.75 to 31.5
 3. Outstanding = 31.75 to 43.5

1. If a band's performance is exceptionally long, the Jazz Judging Coordinator will give the director a written warning.
 2. After a warning is given, at the next show, if that band still plays longer than 20 minutes, all judging will stop at 20 minutes and the band's rating will be lowered by one rating. If this happens a third time,
